

What's new at Weybridge Orthodontics?

We are proud to introduce our brand new website.

After months of hard work, we can now offer you an informative site which is simple to use and easy to navigate. It showcases the fantastic facilities that we can offer your patients. Please feel free to familiarise yourself with our friendly team and the range of treatment options available.

You can now download referral forms directly from the website for orthodontic assessments and CT scans.

- ▶ Prerequisite for start of treatment
- ▶ Free of charge follow up appointment for treatment plan discussion
- ▶ Free of charge appointment with one of our Treatment Coordinators to demonstrate various brace options and provide costings.

NHS Waiting List Update

Our NHS services are well and truly on par with all private services and treatment we offer at the practice. Our current NHS treatment waiting list for patients is approximately 10 months for start of treatment from the initial assessment.

Congratulations Leanne!

Congratulations to Leanne, our Treatment Coordinator, and Richard who were married on Saturday 27th June 2015. We wish them a healthy and happy future together.

Leanne joined WO in 2013 and has since developed into an integral part of the team. Leanne loves to travel and spent her honeymoon in Hong Kong and Thailand. Leanne is currently training to take part in the South Spartan Sprint Race later this month.

Introducing Dr Henry Wong

Henry is delighted to recently join the WO team as a Specialist Orthodontist.

Henry qualified as a dentist in Melbourne, Australia and completed his orthodontic specialist training in Sheffield.

Aside from orthodontics, Henry is kept busy by his baby daughter Eloise. He also enjoys cooking and is an avid tennis fan.
